# INTRODUCTION

For the past 43 years, Lee Anne Stewart and her staff have offered the highest quality dance technique while making classes fun and enjoyable for students.

Class sizes are limited, and students are grouped by age and skill level to ensure that each student gets the best possible opportunity to learn and enjoy dance. Students are motivated and encouraged to try harder and build their self-concept in the process. The friendly, positive staff make an effort to get to know each student individually.

Lee Anne Stewart Dance School offers classes in 3 locations: Nappanee, Syracuse, & Warsaw Performing Arts Center.

For convenience there is a small dance shop at the Syracuse location on the West side of Dewart Lake where dance clothes and shoes may be purchased.

We look forward to you joining our dance school family!
